5.0 GENERAL CONDITIONS

5.1 Use of Images, Names and Branding

The Sponsor grants the Club a non-exclusive, royalty-free permission to use the Sponsor's business name and supplied logo during the Term and for the purpose of delivering, promoting and acknowledging the sponsorship, subject to the Sponsor having the necessary rights to authorise that use.

The Club grants the Sponsor a limited, non-exclusive, non-transferable permission to use the sponsored player's name and Club-approved photograph solely to acknowledge the sponsorship and for non-commercial promotional purposes associated with the sponsorship during the Term.

The Sponsor must not:

a) Use the player's name, image or likeness in a manner that implies the player personally endorses a product or service beyond the sponsorship arrangement.
b) Use the player's image, name, the Club's name, logo or other intellectual property in a misleading, offensive, unlawful or unauthorised manner.
c) Alter or reproduce Club-supplied branding or player imagery in a way that misrepresents the Club, the player or the sponsorship.

The Sponsor must obtain the Club's prior written approval for any proposed use outside the permissions expressly granted under this clause. All permissions are subject to applicable intellectual property, privacy and publicity rights and any necessary player consent. No ownership of the Club's or player's intellectual property is transferred to the Sponsor.

5.2 Player Performance and Status

The Sponsor acknowledges that there will be no refund or reduction in the fee payable set out in this agreement in the event of injury, illness, deselection or non-selection, suspension, player movement, or any other circumstance that prevents the player from playing for the Club. The Club at its sole discretion may provide a partial refund of up to a maximum of $150 in the event of the Player being advised of non-selection in our WAFL Colts squad prior to the conclusion of pre-season training. In the event of a partial refund being provided, the Sponsor will not receive benefits 3(e), 3(f), and 3(g). All other benefits under clause 3 remain applicable, subject to their terms and availability.

5.3 Entire Agreement

This Agreement constitutes the entire understanding between the parties and supersedes all prior discussions or representations related to the sponsorship. Any variation to this Agreement must be agreed in writing by both parties.
